Ruth Stringam Nordstrom Showcase

This artist's showcase is to thank Ruth for painting portraits of Jim & Marion Hamilton for our Marion Hamilton Gallery of Art. Thank you, Ruth, for your support & enthusiasm!

Bio: I have always had a passionate interest in the artistic world, having been drawn to paints and canvas as a child. I studied art at BYU, BYU-Idaho and with other prominent instructors. The late Sergei Bongart greatly influenced my own artistic interpretation and creation.

My challenge is to put on canvas the beauty of the world, the people of the world and the inspiration of their lives. Having grown up in the shadows of the Canadian Rockies, I spent my early years attempting to capture the grandeur of those mountains on canvas. I am still inspired by the majesty of those mountains as well as the majesty of the mountains that now surround me.

Most of my work is done from life and/or out "en plein air". I truly believe this type of study is essential to begin to understand the relationship of color, which, when handled correctly, is a symphony of beauty.

Nature Conservancy Art Show Review

The Idaho Art Lab worked with the Nature Conservancy to organize the first annual Art Expo during Island Park's "Pioneer Days" on July 22nd & 23rd. Pioneer Days' events usually offer only antique, collectibles and crafts, so the Art Expo was very well received.

Artists were offered space to show their original artwork at the Nature Conservancy's Flat Ranch Reserve. No entry fee was charged and no commission taken. Fourteen artists took advantage of this opportunity and the show went great! Sarah Close was kind enough to play cello during the Expo.

Participating artists were ...

Daniel Hidalgo
Sally Close
Dan Larson
Isaiah Heyer
Casey Collins
Mary Maurer
Marcia Cox

Michelle Martin
Bill Fronce
Lynn Hagler
Chellee Lowder
Dede Draper
Burch Drake
Kenny Matthews

Current Calls To Artists!

Teton Arts Council artists and Inmates are invited to submit up to 5 pieces of original artwork (more if small works, fine crafts, custom jewelry, etc.) for exhibition in the From the Edge to the Basin art show. This is a thank you show for the Teton Arts Council and the Saint Anthony Work Camp for their help. Space permitting, every artist's work will be included. All mediums are acceptable, including assemblages. Two dimensional artwork must be wired to hang. Maximum size (including frame) is 5 ft. high by 6 ft. wide, however, smaller pieces are preferred. To submit artwork, please read and sign the Liability Waiver/Sales Agreement (www.idahoartlab.org/call-to-artists.php).

Entry Fee: \$5.00 per piece for TAC artists
(Contact us if submitting more than 5 pieces).

Drop off date: Tuesday, July 26th - Saturday, July 30th

"Meet The Artists" Reception: Thursday, August 11th , 5pm - 9pm

Show Dates: Thursday, August 11th - Saturday, September 17th

Pickup date: Saturday, September 17th - Saturday, October 15th

The Jury Process:

Space permitting, every artist's work will be included. If we must jury ...

1. We will exhibit fewer pieces of each artist to enable us to show every artist's work
2. Local artists have preference
3. Presentation of artwork (Is the piece wired, ready to hang? If the piece is sculpture, jewelry or fine craft, is a pedestal or display available? Is the frame, matting and artwork in excellent condition?)
4. Involvement of the artist (If they've exhibited before, did they attend the "Meet The Artists" Reception? Have they volunteered or offered support?)

We are an artist's gallery. Our goal is to exhibit fine artworks while allowing the budding professional artist a chance to exhibit their developing artwork as they discover their true artistic calling. Take advantage of this unique opportunity and submit your art for this show! We love new artists!

Student Art Contests (Kindergarten - 12th grade)

Winners receive a Winners Certificate and their art exhibited in the gallery.

No entry fee!

Artwork needs to be of standard size: 5x7, 8x10 or 11x14 unless it is a 3D piece of art. We re-use donated frames to frame each Winner's artwork.

We select artists by drawing randomly from a hat. If a child brings in framed artwork, wired ready-to-hang, we will almost always find room for it.

Upcoming Deadlines:

July 30th - From the Edge to the Basin
(Anything goes!)

Sept. 10th - Crash Into Fall
(Demolition Derby & Harvest theme)

We had five Volunteer Days set up and no one showed. So, the ceramic and pottery studios are still not open. Please help if you can! We mostly need help manning the gallery so we can get things done in the art center. You can work on your art while you watch the gallery.

The art center is NOW OPEN! Shane Kunz & Daniel Hidalgo got the utility sink installed. We have set up the flat files and lockers in the Volunteer Studio. Easels, drafting tables, project tables, etc. are ready for your creations. Come on in and play!

We now offer **FREE** use of our:

- easels
- drafting table
- project tables
- light tables
- paper cutters
- straight edge board
- internet access (for volunteers only)
- and more!
